

HELLO!

Thank you for downloading "Free Poster Mock Up"! I hope you will be completely satisfied with it, and it will help your work!

Below is a brief guide to faster and easier use.
This item includes 1 psd files.

HOW TO PLACE YOUR IMAGE?

Select Smart Object called "Your Design Here" from Layers panel, *right click > Edit Contents*.

Paste your picture, make edits, resize to fit then choose *File > Save*.
Photoshop updates the Smart Object to changes you made.

Done!

If you like it, please, appreciate it and follow me on
