5. Social Top / Follow Us (Sidebar)/ Social Footer

Access your blog **Layout** > click **Edit** link on **Social Top / Follow Us (Sidebar) / Social Footer** widget.

Social Names: *facebook, twitter, gplus, bloglovin, rss, youtube, skype, stumbleupon, tumblr, vine, stack-overflow, linkedin, dribbble, soundcloud, behance, digg, instagram, pinterest, delicious, codepen*

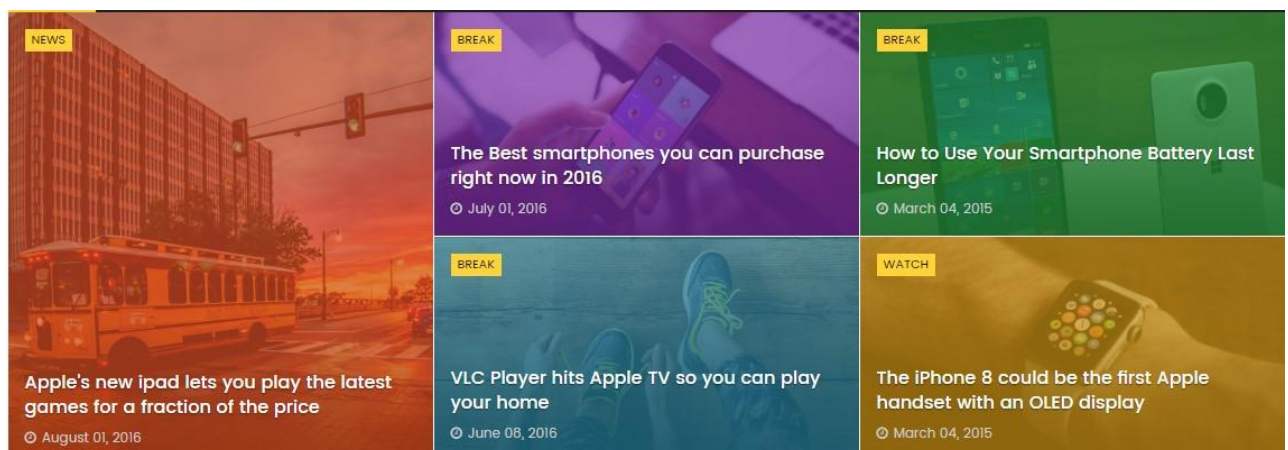

The screenshot shows the Blogger 'Configure Link List' widget configuration interface. The URL in the browser is <https://www.blogger.com/rearrange?blogID=693864457835854506&action=editWidget§ion>. The widget title is 'Social Media Icons'. The 'Number of items to show in list' is set to 'Leave blank to show all links'. The 'Sorting' dropdown is set to 'Don't Sort'. The 'New Site Name' field contains 'social name' (indicated by red arrow 01). The 'New Site URL' field contains 'http:// social url' (indicated by red arrow 02). Below these fields is an 'Add Link' button. A list of existing links is shown with 'Edit Delete' buttons for each: facebook, twitter, dribbble, vimeo, and rss. At the bottom, there are 'Save' and 'Cancel' buttons. A red arrow points to the 'Save' button with the text '03 - click save'.

Example:

For Example if you have to add "facebook" icon then just add facebook in name of New site name section and below add url of that particular site.

Title	<input type="text" value="Social Link"/>
Number of items to show in list	<input type="text"/> Leave blank to show all links
Sorting	<input type="text" value="Don't Sort"/>
New Site Name	<input type="text" value="facebook"/>
New Site URL	<input type="text" value="http://www.facebook.com/bthemez"/>
	<input type="button" value="Add Link"/>
<input type="button" value="Save"/> <input type="button" value="Cancel"/>	

5. Featured Posts (TOP)

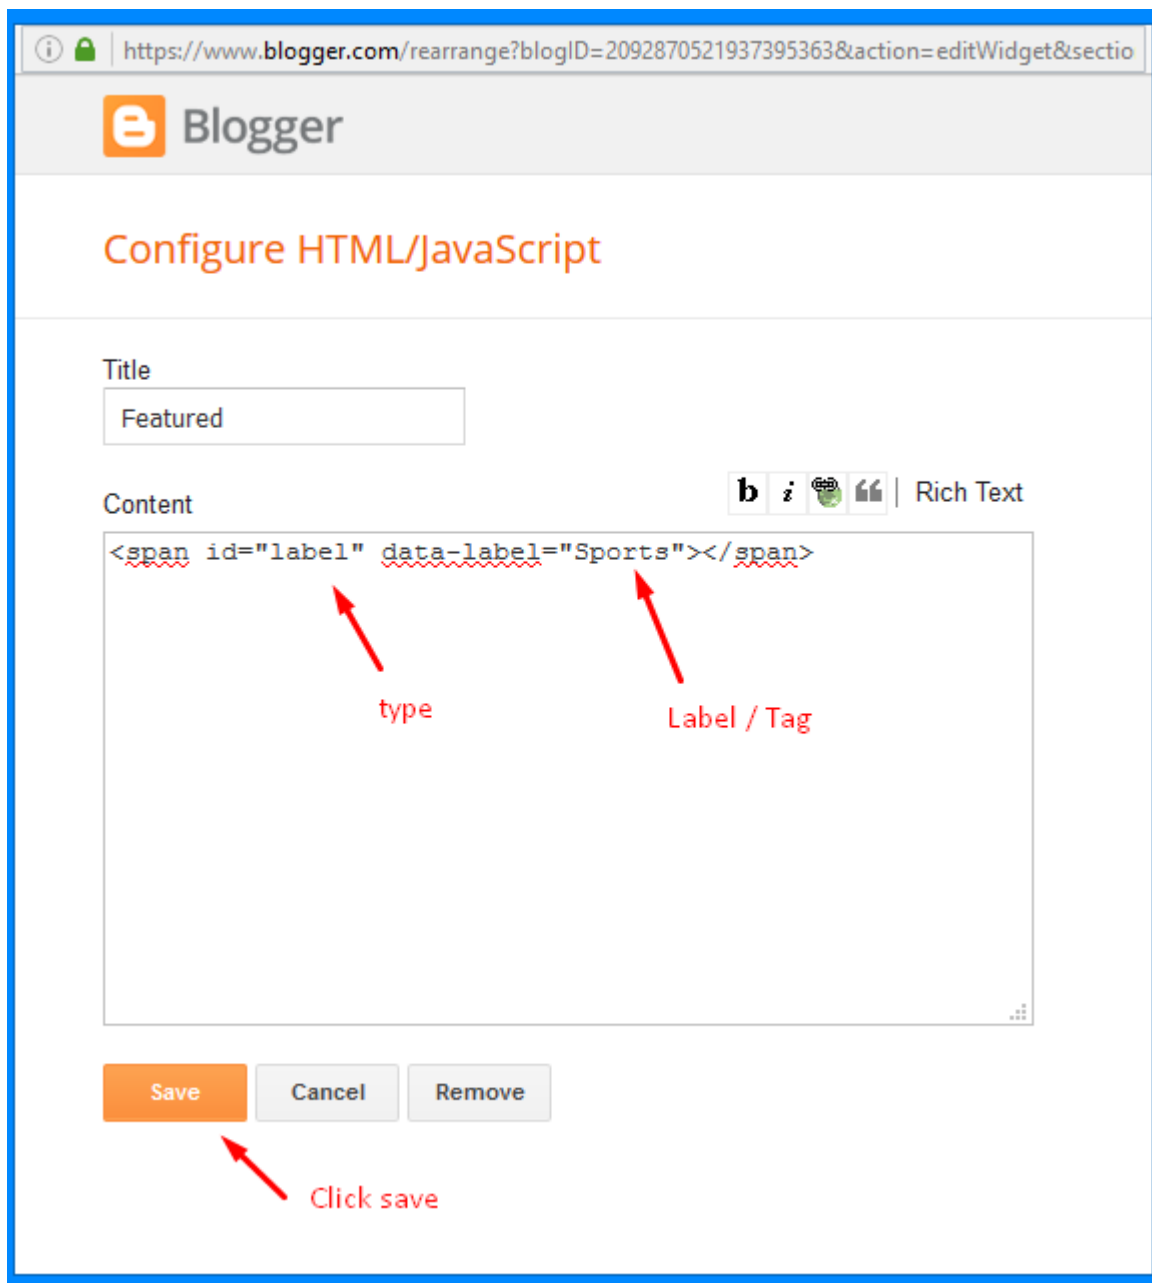

Access your blog **Layout** > click **Add a Gadget** > **HTML/JavaScript** on **Featured Posts** Section, and then add one of the following

Random Posts: ``

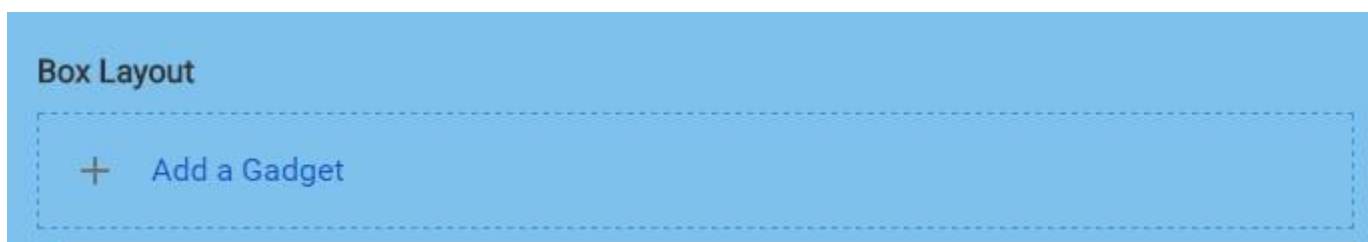

Recent Posts: ``

Label / Tag Ex: ``

6. Magazine Boxs Layout

Access your blog **Layout** > click **Add a Gadget** > **HTML/JavaScript** on **Box Layout / Box Layout 2**Section, and add the type of the desired box

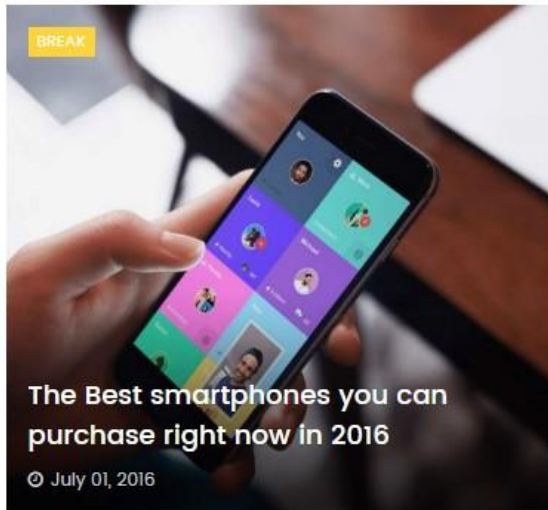

Types : { **box**, **carousel**, **videos** }NOTE: No gadget inserted in the sections must be empty, that can interfere with the proper functioning of widgets.

7. Widget

Access your blog Layout > click Add a Gadget > HTML/JavaScript on Sidebar or Footer section, you must place the following codes highlighted in blue below.

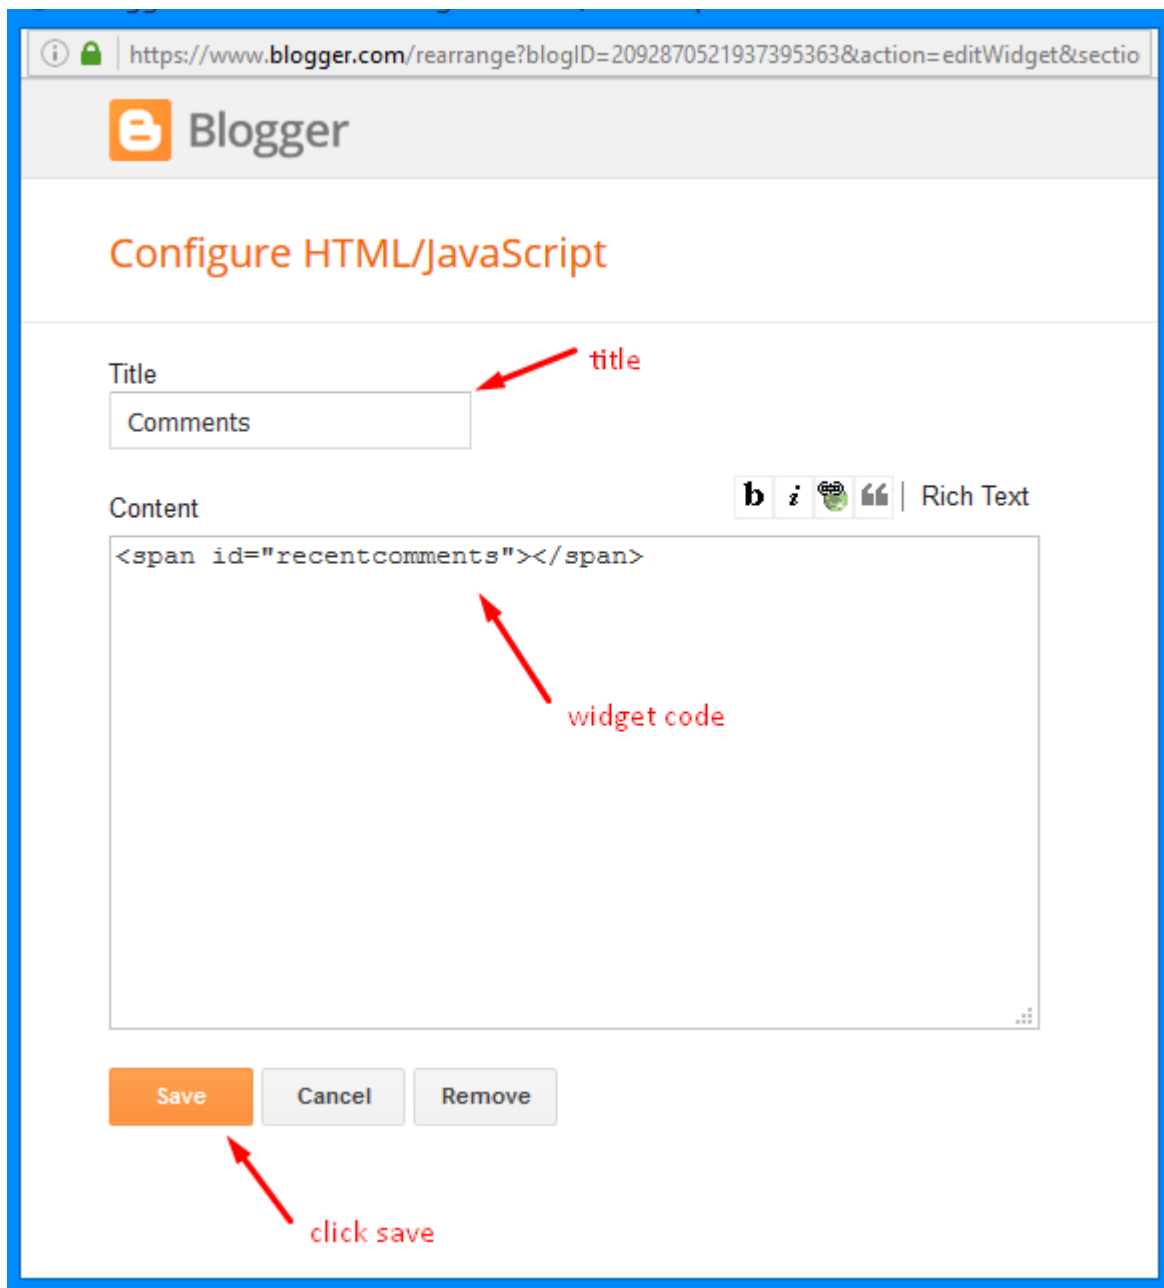

Recent Posts: ``

The screenshot shows the Blogger 'Configure HTML/JavaScript' widget configuration page. The browser address bar displays the URL: <https://www.blogger.com/rearrange?blogID=2092870521937395363&action=editWidget§ion>. The page title is 'Configure HTML/JavaScript'. The 'Title' field contains the text 'Recent Posts'. The 'Content' text area contains the code ``. At the bottom, there are three buttons: 'Save', 'Cancel', and 'Remove'. Red arrows and labels are used to highlight key elements: an arrow points to the 'Title' field with the label 'title'; another arrow points to the code in the 'Content' area with the label 'widget code'; and a third arrow points to the 'Save' button with the label 'click save'.

Random Posts: ``

Recent Comments: ``

After add, click save.

Facebook Page Plugin:

```
<center><div class="fb-page" data-href="https://www.facebook.com/themexpose/" data-width="360" data-small-header="false" data-adapt-container-width="true" data-hide-cover="false" data-show-facepile="true"></div></center>
```

Change this red url with your facebook page url.

Sidebar Social widget :

1. Go to Blogger Dashboard > Layout > Follow Us widget > click on edit button
2. Now copy the below mention code and paste into widget.

3. Change the # with your social url and change the Number of followers too.

4. Save It

```
<div class="social-count-plus"><ul class="flat"><li class="count-twitter"><a class="icon"
href="https://twitter.com/"></a><span class="items"><span class="count" style="color:
#ffffff !important;">12356</span><span class="label" style="color: #ffffff
!important;">followers</span></span></li><li class="count-facebook"><a class="icon"
href="https://www.facebook.com/"></a><span class="items"><span class="count" style="color:
#ffffff !important;">194067</span><span class="label" style="color: #ffffff
!important;">likes</span></span></li><li class="count-googleplus"><a class="icon"
href="https://plus.google.com/"></a><span class="items"><span class="count" style="color:
#ffffff !important;">419</span><span class="label" style="color: #ffffff
!important;">followers</span></span></li></ul></div>
```
