

I appreciate you for grabbing OMNISME This font's are inspired by the neotribal shapes and combined with black metal touch, and I'm pumped it's in your hands. Hope it brings some dark, intense energy to your projects. If you ever wanna show off what you've made with it, hit me up.

**Don't worry, this typeface are unlimited lincense. So,
Fugged up your whole project with this shit!**
