

END USER LICENSE AGREEMENT

for all fonts released by Shady (including but not limited to: kira, Vixa, Romano Revival, and future releases)

1. Grant of License

All fonts released by Shady are free to use for personal and commercial projects.
You may install, use, and create works with the fonts without paying a fee.

2. Attribution

When reasonably possible, you must credit:
Shady Red Pilgrim

3. Modifications

You may modify the fonts.
If you share a modified version, it must be released under the same license terms
(Creative Commons Attribution-ShareAlike 4.0 International).

4. Restrictions

You may not:

- Sell the font files on their own.
- Redistribute the original font files as a standalone product.
- Include the font as the primary value of a product (for example, reselling it inside an asset pack).
- Suggest endorsement by Shady without explicit permission.

5. No Warranty

All fonts are provided “as is” without warranty of any kind.
Shady is not liable for any damages arising from their use.

6. Contact

For questions or licensing inquiries:
